## Company Profile

### INTRODUCTION

We **SAINIK HYDRAULIC INDIA**, are an manufacturer, supplier of tractor and combine components from India. We provide to Indian market with our range of unparalleled products.

We are leading manufacturer of Transmission Gear, Hydraulic Gear Pumps, Oil Pump Gear, Lift Pump Gear, for all Tractors, Harvester & Industrial Machines in India.

### TEAM OF PROFESSIONALS

Our company carries well-qualified professionals with high caliber. Highly dedicated engineers and professionals are involved in manufacturing durable components & spare parts. We have rightly equipped ourselves for customizing any product necessary for harvester automobiles. We comprehend the value of innovation and work towards overhauling & enhancing our core competencies.

### QUALITY ASSURANCE

Our production planed also has testing facilities to ensure that the products are checked for any defects & adhere to all required specifications. Quality has always been our prime concern. Every product is tested at all stages of manufacturing & is further graduated to the next stage once it complies with the quality standards.

In addition to product quality, we also ensure that the quality control is maintained at every stage of product development, i.e. from procurement of raw materials to the packaging & delivery of finished components.

## *Our Product Range Includes*

OIL PUMP GEAR

LIFT PUMP GEAR

INDUSTRIAL PUMP GEAR

TRANSMISSION GEARS & SHAFTS WITH LATEST TECHNOLOGY

HYDRAULIC PUMPS FOR HARVESTER COMBINE,  
TRACTOR & INDUSTRIAL PUMP IN

NEW JAPANESE DESIGN FITTED WITH DU. BUSH (MAKE U.K.)

**A FAMOUS NAME IN HARVESTER COMBINE INDUSTRY**
